ARCH WALL: RIGATONE GRIGIO SHELLSTONE 24"x48"

## WHY RIGATONE COLLECTION?

The Rigatone Collection introduces a tactile, architectural dimension to vertical surfaces through its linear "shellstone" relief. Available in distinct hues like Bianco, Grigio, Beige, and Geology, this 24"x48" Deco series creates depth and movement with its ribbed structure. Ideal for feature walls and bathroom accents, Rigatone blends light and shadow to offer a contemporary, sculptural aesthetic for modern interiors.
