

# DUNE COLLECTION

## WHY DUNE COLLECTION?

This collection was born from the quiet beauty of natural materials –the soft grain of weathered wood, the honest weave of linen, the gentle drift of stone.

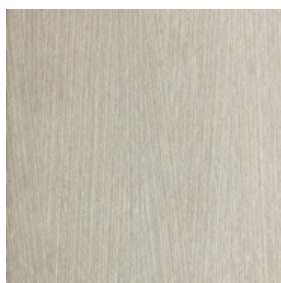

Four textures, one warm palette, endless calm.

Neutral by design, timeless by nature, these tiles don't compete with a space –they complete it. They let light settle, let rooms breathe, and let the people who live in them feel at home.
